

## California Stars

<sup>G</sup> I'd like to rest... my heavy head tonight... <sup>D</sup> On a bed of California stars

<sup>C</sup> I'd like to lay... my weary bones tonight... <sup>G</sup> On a bed of California stars

<sup>G</sup> I'd love to feel... your hand touching mine...

<sup>D</sup> And tell me why I must keep working on

<sup>C</sup> Yes, I'd give my life... to lay my head tonight... <sup>G</sup> On a bed of California stars

<sup>G</sup> I'd like to dream... my troubles all away... <sup>D</sup> On a bed of California stars

<sup>C</sup> Jump up from my starbed... and make another day... <sup>G</sup> Underneath my California stars

<sup>G</sup> They hang like grapes... on vines that shine...

<sup>D</sup> And warm the lovers glass like wine

<sup>C</sup> Oh I'd give this world... to dream a dream with you... <sup>G</sup> On a bed of California stars
